

Display Settings - Change default language

To change the default language of your Sandbox Studio installation, go to "**Settings**" > "**Display Settings**" (1) and click on "**Update**" in the "Language Settings" section (2):

The screenshot shows the "Display Settings" page in Sandbox Studio. The left sidebar contains a "Settings" menu with "Display Settings" highlighted by a yellow circle with the number 1. The main content area is titled "Display Settings" and includes three sections:

- Language Settings:** Shows "Default Language" set to "Français" with a French flag icon. A yellow circle with the number 2 highlights the "Update" button.
- Header Logo:** Shows "Light Mode" and "Dark Mode" options, each with a "Logo" preview and an "Update" button.
- Colour Settings:** Shows "Light Mode" and "Dark Mode" options, each with "Primary Colour" and "Navigation Bar" settings and an "Update" button.

Then select the language and "**Update**":
