

Display Settings - Change theme colour

To change the theme colour of your Sandbox Studio installation, go to "**Settings**" > "**Display Settings**" (1) and click on "**Update**" in the "**Colour Settings**" section (2):

You can now select your custom colours:

Update Theme Settings

Update theme preferences

Light Mode

Primary Colour

Primary colour for buttons, links, and highlights in light mode

Navigation Bar

Navigation bar appearance in light mode

Dark Mode

Primary Colour

Primary colour for buttons, links, and highlights in dark mode

Navigation Bar

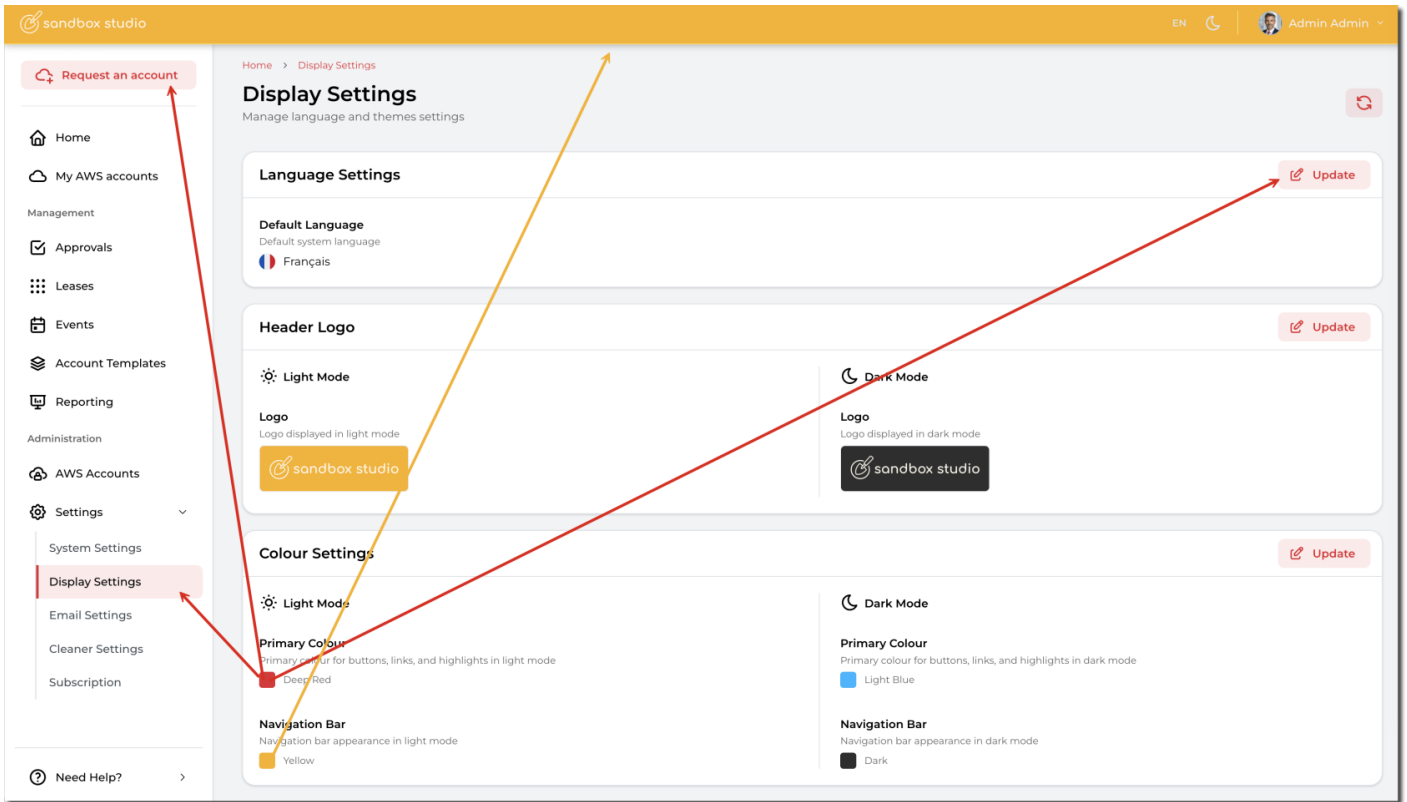

Navigation bar appearance in dark mode

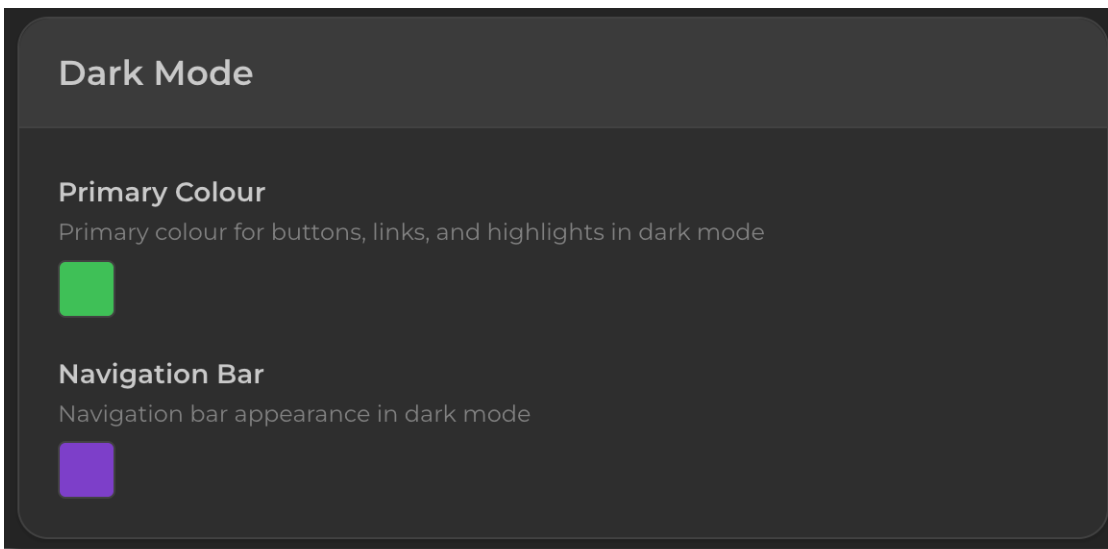

Update

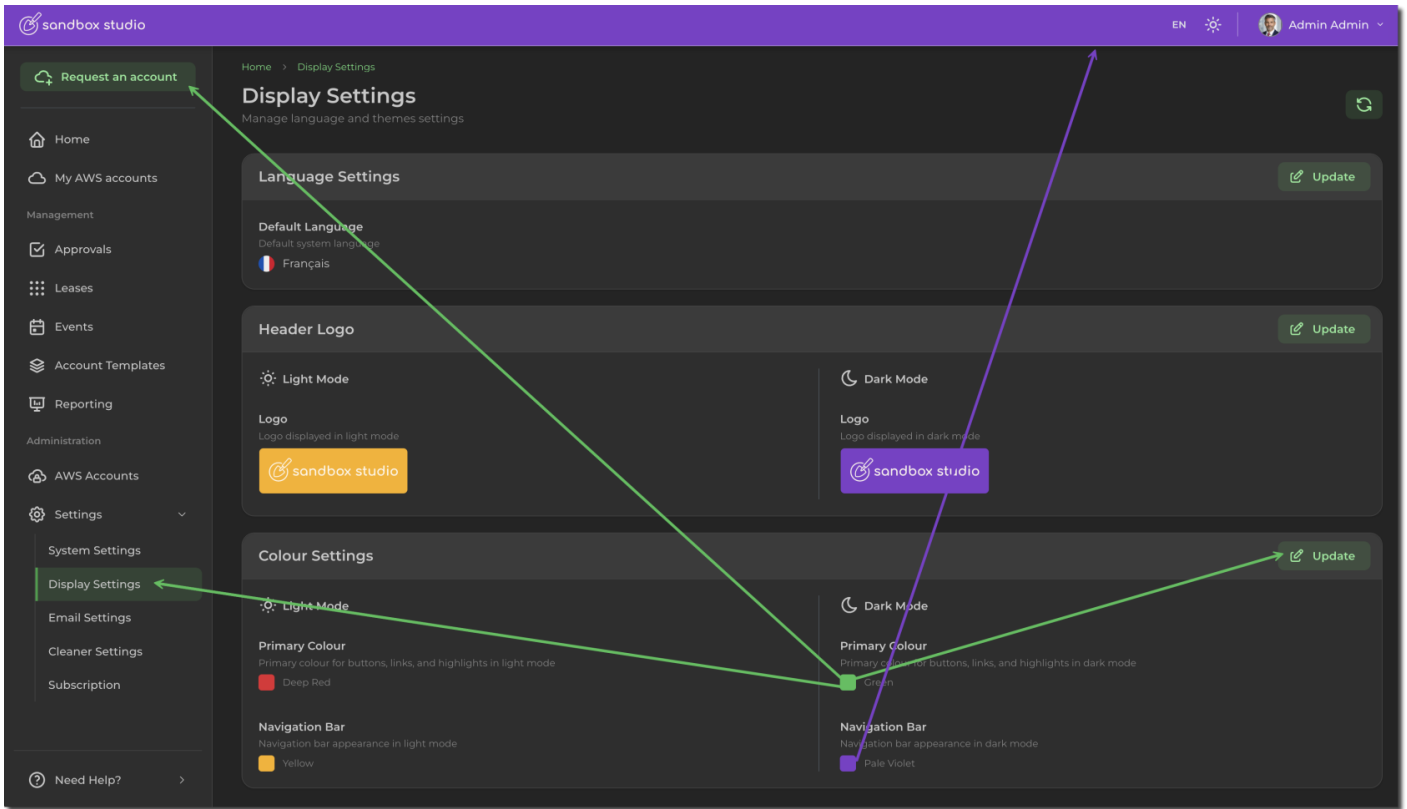

Cancel

1. **Primary Colour.** This colour is used for buttons, menu items, etc.
2. **Navigation Bar.** This colour is used for the top bar of Sandbox Studio

You can also change the colours that display for the dark mode. For instance:

Revision #3
