

Subscription

On the Subscription page, an Administrator can view their Sandbox Studio current licensing entitlements and usage.

Subscription page

The Subscription page shows the current status of the licence, how many AWS accounts are allowed, the API key used to connect to Sandbox Studio for updates and the duration of the licence.

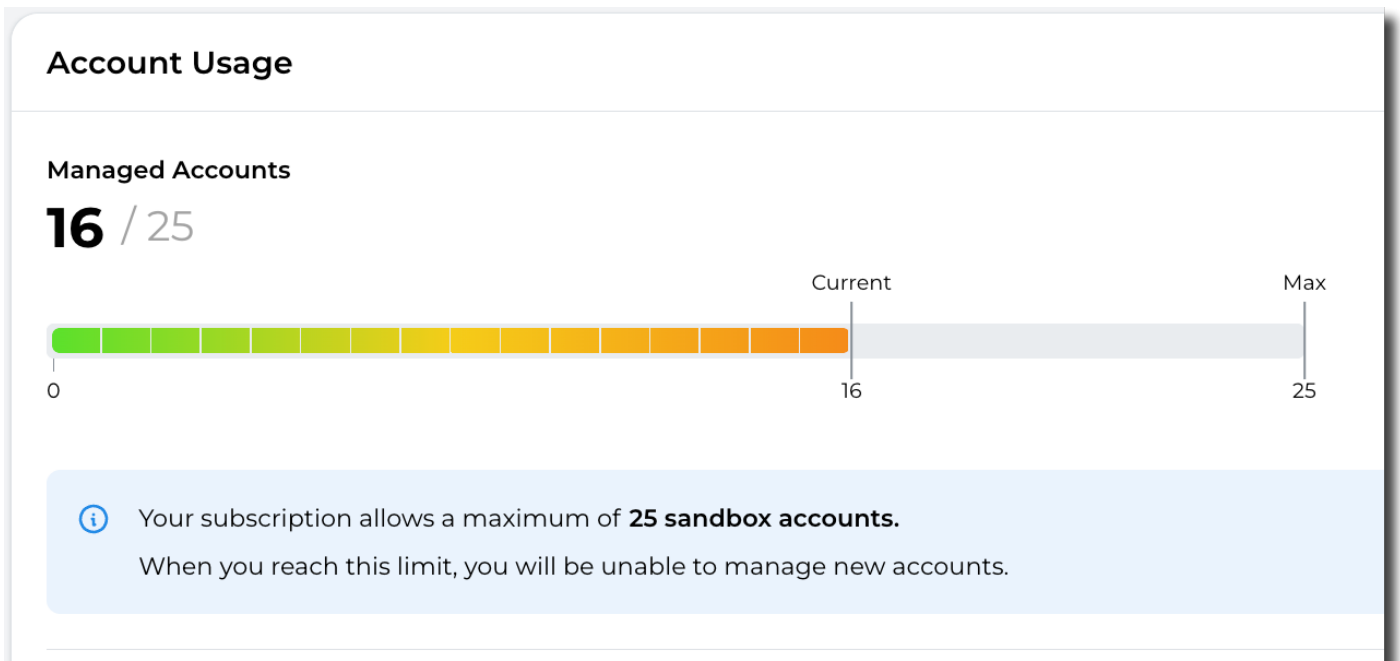

- It is possible to add or edit the API Key - by clicking on the Update button.

The screenshot displays the 'Subscription' page in the Sandbox Studio interface. The page is divided into several sections:

- Header:** Includes the 'sandbox studio' logo, language ('EN'), a moon icon for theme, and the user profile 'Daniel Chen'.
- Left Navigation:** A sidebar with options: Home, My AWS accounts, Management (Approvals, Leases, Events, Account Templates, Reporting), Administration (AWS Accounts, Settings), and Subscription (highlighted).
- Main Content:**
 - Subscription Status:** Shows 'Your Sandbox Studio subscription is **ACTIVE**' with a green checkmark.
 - Account Usage:** A progress bar shows 'Managed Accounts 16 / 25'. The bar is filled with a gradient from green to orange. A tooltip indicates: 'Your subscription allows a maximum of 25 sandbox accounts. When you reach this limit, you will be unable to manage new accounts.' Below the bar, it says 'Please go to AWS Marketplace or contact support to increase your account limit.' with buttons for 'Contact Support' and 'AWS Marketplace'.
 - Subscription Details:**
 - Maximum Sandbox Accounts:** 25
 - Subscription Expiry:** in a year
 - Subscription Type:** AWS Marketplace
 - Registration Details:**
 - Name:** Sandbox Studio Demo
 - Company:** Sandbox Studio Demo
 - Email:** demo@sandboxstudiosoftware.com

Account Usage

On the account usage page, the Administrator can view how many accounts are in use and what the maximum number of AWS accounts are allowed.
