

# Event creation - Review

Last step of the event creation wizard, the review screen allows to check everything is correct:

The screenshot shows the 'Create Event' review screen in Sandbox Studio. The interface includes a top navigation bar with 'sandbox studio', 'EN', a moon icon, and 'Admin Admin'. A left sidebar contains navigation options: Home, My AWS accounts, Management, Approvals, Leases, Events (selected), Account Templates, Reporting, Administration, AWS Accounts, and Settings. The main content area is titled 'Create Event' and shows a progress bar with six steps: Step 1 Basic Details, Step 2 Account Template, Step 3 Schedule, Step 4 Participants, Step 5 Managers, and Step 6 Review (highlighted). The event details are as follows:

- Basic Details:**
  - Name:** Hackathon 2026
  - Description:** Hackathon 2026 for Staff and partners!
- Account Template:**
  - Template:** My New Account Template (New account template)
- Schedule:**
  - Start Date:** Start later (manual)
  - End Date:** No end date
- Participants:**
  - Number of Accounts:** 5
  - | Account # | Assigned To                                     |
|-----------|---|
| 1         | Laura Kim (laura.kim@sandboxstudiosoftware.com) |
| 2         | Unassigned                                      |
| 3         | Unassigned                                      |
| 4         | Unassigned                                      |
| 5         | Unassigned                                      |

Click Submit to create your event.
